

Purses of Empowerment

For my project, I chose "Purses of Empowerment," which concerns something dear to my heart...domestic violence. This year, I am wanting to collect donations (listed below) and gently used purses. Then, next year at Grand Assembly, I am planning on doing a packing party to pack all of these purses with the items we have collected throughout the year and donate them to domestic violence shelters. My goal is 200 purses. Along with the purses, I am wanting to travel to each assembly and speak about awareness of these situations and make small, positive notes that will be added to each of the purses.

PACKING LIST:

- Pocket sized tissues
- Hard candy (mints, LifeSavers, etc)
- Feminine products
- Miniature hand sanitizers
- Travel sized hand/face lotion
- Nail files
- Chapstick
- Band-aids
- Socks
- Hair ties/headbands
- Travel sized shampoo
- Travel sized body wash
- Mini notepads and pens
- Toothbrush/toothpaste
- Travel sized deodorant
- Combs/brushes
- Facial wipes

Thank you for all of your support! I am looking forward to a great and fun-filled year with each of you!
